// Skills

HTML5, CSS3, Bootstrap, Tailwind

JavaScript, Jquery

Photoshop, Ant Design

Github, Sourcetree

MongoDB, ExpressJS

Reactjs, TypeScript, Nextjs

NodeJS, ExpressJS

// Achievements

2020, 2022, 2023

MVP Team and company

// Introduce

Hi, my name is LE VAN LINH and I began using HTML,CSS,Javascript, Bootstrap, Photoshop when first began. spent most of my waking hours for the last six years developing frontend websites according to pixel perfect design standards PSD, W3C, themeforest and Japanese cms systems.With a passion for developing modern web applications, I not only master the Frontend Developer but also expand my skills to the backend with Node.js, Express.js, and MongoDB, Reactjs, Nextjs. Always focusing on performance, security, and user experience, I aspire to bring breakthrough technology solutions that are both optimized and scalable.

// Education

Front-End Developer for CMS (most recent position Senior)   10/2018 - 10/2024

GLOBAL DESIGN IT Co,Ltd

* Team size: 8 people

* Project information: receive design, spec coding from parent company in Japan, mainly process information and tasks for ward and provincial agencies in Japan

* My responsibility :
+ Receive task from leader, convert design psd to front end interface, ensure pixel perfect design standard to hand over to leader.
+ Check w3c, clear code, responsive to ensure functions operate according to spec requirements of Japanese side.
+ Check Accessibility for heading, color constrast...
+ Check Usability for print, offjavascript, keyboard focus, read voice.
+ Check product on browsers, real devices such as iphone, android, tablet.
+ Coding and review member on processing fixed form, library according to spec coding cms required by Japanese side. ensure output quality to hand over to brse.
+ Upload code to cms8341 system from Japanese side, create template to verify if the system operates according to requirements.
+ Assist leader to review code member, cms8341 system. If there is any backlog, member will join to handle it too difficult.
